**DEAR C4K FRIENDS,
PARTNERS & SUPPORTERS,**

“Welcome to C4K!” When we said that phrase to our first families and coaches 10 years ago, we could only dream where it would take us. Each year we serve more kids, more ways and more places. We are filled with gratitude to the numerous volunteers, supporters, coaches, kids, parents, partners, schools, staff and board of directors who have helped make this milestone possible.

What is so special about shoes or equipment? Nothing... unless you don't have them. Kids show up for shoes and equipment and leave with hope and excitement. If we can encourage that kid to join the team, make new friends, work a little harder at school and learn to give

back when the season is over, then the ripple effect can transform a life, a family, a school, a community.

Over the last 10 years, we have been honored to serve our community with sports shoes, equipment and apparel. To date, we've served 145,000 Oklahoma kids with 200,000 items. The best is yet to come – after all, it all starts with a pair of shoes.
